Important Information

ATTENDANCE POLICY

Due to new requirements by
the Ohio Department of
Education, our Attendance
Policy has changed. Students
are now required to **log 25
Hours per week** towards
school. Any time below 25
hours will be counted an
absence. This should greatly
increase work completion.

Please stay on top of this and
encourage excellent attendance.
We know that students with
good attendance increase their
chances of success greatly.

To get the most out of their work time, students should:

- 1) Be Well Rested
- 2) Be Organized
- 3) Have a plan for what to
work on that day
- 4) Ask for help when they
need it
- 5) Establish Priorities
- 6) Maintain their work log
accurately
- 7) Persevere and make an
effort when it's
challenging
- 8) Mark, highlight or make
an outline of notes as
needed
