Office Hours

Tuesdays,
Wednesdays, &
Thursdays

If you cannot get here during business hours, there is a **drop box** in front of the building to turn in your work.

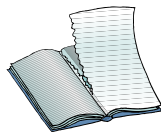

FOOD FOR THOUGHT

Don't Lose Your Exams or Books

There will be a **\$50.00 charge for new books and a \$5.00 charge to replace exams.**

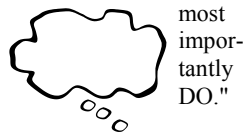

Make sure to turn in **all** pages of your exams at the same time. If pages are missing the entire exam will be sent back to you and this will result in delaying your score.

Make sure your name & number are on each page. **Tear them out** of the books and **keep the books** until you have confirmation of a final score in the class.

" If you're always thinking about the things you could do or would do then you're not actually doing the doing. So stop thinking and start doing! Disappointment can only come from thinking about what you could or would do! Live, dream and

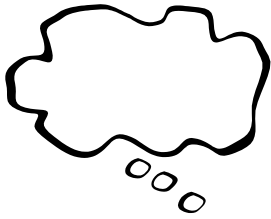

most importantly **DO.**"

NOTES AND SUCH:

Regarding Exams

Make sure to turn in **all** pages of your exams at the same time. If pages are missing the entire exam will be sent back to you and this will result in delaying your score. Do not turn in one page at a time.

Summer

Our office will be open throughout the summer - on a more limited schedule.

You can turn in work inside the office or use the dropbox outside. If you need to talk to someone, call ahead and make sure we are in.

Tutoring

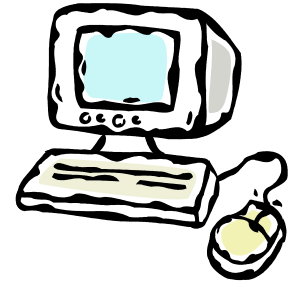

We will have tutors available all summer if you need assistance—call the office to schedule a time!

We can arrange day or evening times.

TRECA STUDENTS:

- Pay attention to when your **calendar year** ends—you must have all of your work submitted and scored before that date—Call or email me with any questions
- Each block should be **finished within 15 days**. If you have taken more time than that you need to work for longer periods of time each day

To Complete Your Work:

American School requires you to earn at least 75% or higher on each examination. If you do not, you will receive a P (or partial) and will be required to re-do the work, usually as an Alternative Exam. Be careful of this because at that point you must earn an 85% or higher.

Spend the time necessary reading and studying the material correlated to the exam and answer the questions completely.

DON'T FORGET:

- You cannot receive more books until all of your exams and partials are scored from your existing books.
- If you cannot get here during business hours, there is a drop box in front of the building to turn in your work.
- Put your name and American School # on every page of your examinations before submitting.
- American School prefers that you write in Blue or Black Ink—so they can see your work.

If you do NOT plan to continue working in the summer, please let Darlene or I know.
