XII. PARENT GUIDELINES

- 1. If you or your child has any concerns pertaining to Track & Field throughout the year, please contact the coach immediately for a private conference. We ask that you do not attempt to resolve a problem before, during, or after a scheduled practice or game, as proper attention cannot be given to the situation at that time. It is important that we reach a solution as quickly as possible, as well as one that is fair to all involved.
- 2. The school contract, as well as the Track & Field handbook, will be upheld to the fullest.
- 3. For those members that need rides, we hope that we will have your complete cooperation with helping to get them to practices and games on time, and making sure we are notified if for some reason that is not possible. We also need your promptness in picking them up after practices and games. Coaches do not give rides to any members on the team.
- 4. Due to the nature of the sport times may vary substantially for the buses/vans return to school after a meet. Your understanding with this is greatly appreciated.
- 5. Your child will receive a copy of a monthly calendar of events.
- 6. We ask for your support throughout the year. Attending as many meets as possible, wearing green and gold. Any ideas you may have to help us are always welcome, too!
