Mission Statement from the Instrumental Music Department of Hamilton Local Schools

Participating in instrumental music activities is a privilege, not an inalienable right. It is an integral part of a total educational experience. The same level of responsibility and behavior is expected at practices and performances as is expected in the classroom. Should individual students act in a manner detrimental to the group, student body, school, or community at any extra/co-curricular activity or practice, either as a performer or fan, the student will lose the privilege to participate and/or attend performances, practices, and events involving other students and schools. Such students may be subject to further disciplinary action.

School sponsored instrumental music participation takes precedence over work, vacations, clubs and other activities. Performers are not to miss practices or performances of school sponsored instrumental music programs to attend work, go on vacation, to attend a club meeting or event. Performers shall make every effort to schedule tutoring/mentorship on non-rehearsal days, or to take advantage of their daily Advisory period for academic intervention, as attendance at rehearsals is paramount to the overall success of the group. Missing rehearsal for one of these activities shall be considered an unexcused absence, and will be subject to the consequences of the attendance policy (see page 5, section d.).

Activities per Season

Performers may be permitted to participate in two activities during the same season. The approval to participate in two activities will be given by the directors and the head coach. It is the responsibility of the student and parent to cancel any contract with their provider in regards to an instrument rental program. Any student wishing to rejoin band because of a scheduling conflict must take a placement audition to be considered for readmittance for the following school year.

Search, Seizure, and Forfeiture

The Administration or other designated individual (Band Director) of Hamilton Local School District reserves the right to search the assigned locker, desk, person, and personal property of a student on district grounds, in district vehicles or at any district activity when it is necessary for the maintenance of the order, discipline and safety in the supervision and education of students. At the beginning of the school year, students will be informed that their assigned lockers, desk, persons and personal belongings including but not limited to: purses, athletic bags, and articles in the locker are subject to search for items prohibited by Conduct Policy or Dress and Grooming Policy, contraband, harmful or dangerous substances.

Such contraband is subject to forfeiture to the District under the District Conduct Policy and applicable Ohio Revised Code. The Board of Education and District administration authorize the use of trained canines in detecting the presence of drugs or drug paraphernalia. The canines may be used to patrol the district facilities and grounds, including the lockers and parking areas. Use of trained canines may be unannounced and random. If a trained canine alerts to a particular vehicle, locker or other container, it shall create reasonable suspicion to search that vehicle, locker or container in accordance with this policy.

Students needing occasional medications, such as penicillin, for colds, earaches and sore throats, are to take those medications at home, if possible. However, if a physician indicates that it is necessary for your child to take medications during school hours or during extracurricular hours, the following procedures must be followed:

This form can be obtained in our school’s main office on our district website under the Important Forms & Links, Student Registration sections or band office.

2. All prescription medication must be sent to school in a properly labeled container from the pharmacy with the child's name on the container. Non-prescription medication should be sent in its original container.

The right to carry and use an epi-pen extends to any activity, event or program sponsored by the student's school or activity, event or program in which the school participates.

Student possession of an epi-pen is permitted only if the student has written approval from the prescriber of the medication and, if a minor, from his/her parent/guardian. In addition, the principal, school, nurse and band director must receive a backup dose of the medication from the parent/guardian or student.

The director retains the right to reprimand any performer for attitude or any other infraction, which reflect unfavorably on the Hamilton Local School District’s Instrumental Music Program, Academics, Staff or Administration. Students who ask to “sit out” from rehearsal due to physical exertion, pain, illness, etc. will be allowed to do so with a staff member’s permission up to three times. If the student can’t continue to participate in the after school rehearsal for whatever reason after “sitting out”, a parent/guardian will be called to pick up the student and take them home. This is for the safety and well being of the student. After the third event, the student will be required to have a physician assess the student for physical fitness in order to continue participating with the band.
