Current Vaccination Requirements For Registration

Please make certain your child has had the following vaccinations and doses.

If your child is going into kindergarten:

Diphtheria, Tetanus, Pertussis: 5 Doses

Polio: 4 Doses

Hepatitis B: 3 Doses

Measles, Mumps, Rubella, and Varicella (Chicken Pox): 2 Doses

If your child is going into 7th grade:

They will need a Tdap (tetanus, diphtheria, and pertussis) or Td (tetanus and diphtheria) booster. Of the two boosters, Tdap is preferred because it provides vital protection against pertussis, which is commonly known as “whooping cough.”
