

Hello Ranger Fans,

I hope you can help me with some Athletic Sport Individual Record research; I am doing extensive research to determine individual record holders for all sports at Hamilton Township High School. If anyone has past yearly or career stats booklets from banquets or from past coaches, please email, drop off or mail. I will use this information to develop detailed records and return to you ASAP.

I appreciate any contributions made and will make available any records compiled, and post on the Athletic Web page and Hammyhighalumni.com. I currently have complete track and cross country records but all other records are hit and miss. I am sure our Ranger Alumni can help in this matter.

Thank you in advance for lending a hand to develop Hamilton Township High School Athletic History.
