To all of our Rangers,

On behalf of the members of our Board of Education, district administrators, along with our faculty and staff, I would like to welcome you to a new school year in the Hamilton Local School District.

As we make our way through this school year, I ask that you push yourself to do your best everyday. It is up to you to give your best effort, show kindness to your classmates and teachers, and have a positive impact while you are in our schools.

Trust the process. Stay engaged. Stay involved. There are many opportunities throughout the year for you to learn and grow as a student through classroom lessons, during district-sponsored extracurricular activities, or by being involved in community service initiatives. It is my hope that every student takes full advantage of programming offered in each of our schools.

Finally, I want to ask that when you have a question or need assistance with something in our district, please communicate with us directly. We are here to help and serve our community. Contact your teacher, building secretary, building principal, or district administrator with any questions or concerns so we can provide the answers directly.

I hope you have a great school year. Go Rangers!

Sincerely,

Mark Tyler, Superintendent

Alma Mater

Oh Hamilton,
We love your green and gold.
Oh Hamilton,
We're here to say
We know you'll fight
'Til you have victory
And all your enemies have gone away.
Our loyalty is yours forever more.
Our voices sing to you with loudest cheers
And as we onward go to victory,
We'll sing your name a thousand years.

Records/Directory Information

The Hamilton Local School Board of Education defines the following data in the student records as directory information: name; address; date and place of birth; extracurricular participation, achievement awards or honors; weight and height of members of athletic teams; dates of attendance, and date of graduation. Directory information will be released without the consent of the student or the parent unless the school has been notified *in writing* not to release such information.

Photographic Notification

Periodically, candid group photographs of student activities are taken at Hamilton Local Schools. If parents/guardians do not wish to have their child included in such photographs, they must notify the school office in writing. All students are required to have their picture taken for a school identification card. Any student who does not have a picture taken for an ID will not be able to attend dances or other activities requiring an ID. The replacement cost for an ID will be \$5.00.

School Web Site

Hamilton Local Schools operate and maintain web sites as valuable information resources for students, parents, staff, and community members. Please visit our web site at www.hamiltonrangers.org. From here you can access individual building web pages, teacher web pages and Progress Book to monitor your child's academic progress.

Textbooks

Textbooks have been adopted and purchased by the Board of Education to be used in implementing the approved graded courses of study. Students will have the opportunity to use the textbooks by receiving one for personal use for the length of the course, or may use of one from a classroom set of books. In classes where books are issued to each student, the teacher will make a record of the book number and name in front of the textbooks where it is so indicated. Pen should be used to avoid the name being erased and the book being used by another student. The student becomes responsible for any textbook assigned and/or used by him/her during the length of the school year. The cost of repair or replacement will be assessed against the student responsible for the lost or damaged book. Records and grade cards will be withheld from students who do not meet such obligations.

Textbook Repair/Replacement

The following guide will be used to cover repair and replacement cost of damaged and/or lost textbooks.

Normal Wear	No Charge
Damaged	*\$10.00
Damaged beyond future use or lost	Replacement cost

*This is a minimum charge that can be adjusted to reflect the actual amount of the damage

Media Center

Our Media Center is open during school hours, and students are encouraged to make good use of this facility. The media specialist will review procedures for the use of the media center during orientation sessions.

All materials checked out from the Media Center must be returned. Lost materials and/or late fees must be paid for or grade cards and/or records will be withheld. Students may lose privileges due to inappropriate behavior.

Clinic/Nurse

Parents are responsible for informing the school of their child's specific health concerns, medical diagnoses, and medications. This information should be provided on the emergency contact

information at the beginning of each school year and be updated, using the new online portal (<http://hamilton.esvportal.com>), throughout the year as changes arise.

We have a district nurse who is available for consultation regarding the management of your child's health concerns at school. The nurse travels between buildings throughout the school day and is on call at all times for emergencies. If you need to speak with someone regarding your child's health, please call 614-491-8044, ext. 1500.

Medications

The majority of medications for students should be administered at home (i.e.- those ordered once, twice, or three times a day). However, there may be instances in which it is necessary for a student to take medication during the school day whether it is scheduled or on an as needed basis. For medications requiring administration at school, the following procedures must be followed:

1. The parent/guardian and the licensed prescriber (physician, dentist, advanced practice nurse, or physicians assistant) must complete the required sections of the Medication Consent Form. A consent form for each medication, prescription or over-the-counter, must be completed and returned to the school before trained school personnel will administer any medication. This form can be obtained in our school's main office and on our district website under the Important Forms & Links or Student Registration sections. **Please note: There is one general form for use with most medications, one form to permit students to carry asthma inhalers, and one form to permit students to carry epinephrine pens.**

2. All medication must be delivered to school by the parent/guardian. Prescription medications must be received in the pharmacy container labeled with the prescribing information matching the information provided on the completed Medical Consent form. Over-the-counter medications must be received in the original, unopened container labeled with the student's name. **Students are not permitted to carry or transport medications with the exception of asthma inhalers and epinephrine pens with the proper consents in place.**

3. Parents are responsible for picking up unused medications at the end of the school year. These will not be sent home with the student. Any medications not picked up by the beginning of the next school year will be disposed of.

4. New request forms must be submitted each year and whenever there is any change in the medication order by the licensed prescriber (i.e.- changes in the dose or time).

Contact Information Changes

Parents/guardians are responsible for immediately updating any changes in phone number or address using the online procedure as established by the district. This is necessary to maximize the safety of your child. To access your child's information, visit <http://hamilton.esvportal.com>, login to your Hamilton OneView account, and click on "Student Demographics & EMA."

If you don't have access to a computer, please stop by our main office (775 Rathmell Road) and we will help get you setup. It's quick and easy. If you have any questions about this system, you can contact our main office at 614-491-8044 ext 1800.

Accidents and Illness

If a child has an accident or becomes ill at school, a parent will be notified to come and get the child. If a parent cannot be contacted, the alternate person on the emergency contact information will be notified. Any student who has a fever of 100 degrees or greater, vomiting, diarrhea, or signs and symptoms of a possible communicable disease will be sent home. Please keep students with a possible or known communicable disease home until they are symptom-free or have been treated for at least 24 hours. **Only the persons whose names appear on the emergency card will be permitted to pick up or release a child from school because of injury or illness. Before we will release a child, a photo ID must be presented and the name should match what is on the emergency card. Students under the age of 18 years must be signed out by a person identified on their emergency contact information. No student under the age of 18 years will be permitted to leave school unaccompanied based on a telephone call to the school office, nor without prior written consent of a parent or guardian.**

Immunizations

In compliance with the Ohio Compulsory Immunization Law, no pupil shall be admitted to school unless he/she presents written evidence that they have received the required immunizations by such means as approved by the Department of Health, pursuant to the powers granted by the Ohio Revised Code or unless such student presents a written statement from his parents or guardian objecting to such immunization because of medical or religious grounds. However, if an outbreak occurs, the student will be excluded from school. All new students entering the district from a foreign country are required to have a TB test. Immunization clinics are provided by the Franklin County Health Department and the Columbus Health Department for a nominal fee.

Supplemental Student Accident Insurance

The Hamilton School District recognizes that students may suffer injuries in the course of attendance at school. Accordingly, the District provides insurance coverage as authorized by Ohio law and makes available to parents insurance coverage for other incidents. The District is not permitted to use public funds for insurance to cover injuries sustained in the course of attendance at school and is immune from damage as is authorized by Ohio law and Chapter 2744 of the Ohio Revised Code and the Sovereign Immunity Law of the State of Ohio.

The Board provides parents the opportunity to purchase group insurance coverage, at no cost to the Board, for injury resulting from accidents sustained by students in school, on school grounds, at an activity sponsored by the school, while traveling between home and school or in any activity round-the-clock. The purchase of this program is optional. The Board requires, as per Board of Education Policy JHA, that students participating in interscholastic school athletics be covered by some type of accident insurance. The insurance may be the accident policy which has been approved by the Board or a similar policy type acquired elsewhere by the student or his/her parents. The requirements of this policy are contained in the district athletic handbook.

The Board maintains insurance coverage for injury resulting from accidents sustained in the course of transportation under the authority of the Board.

Halls

Students should be in the halls only at the beginning and close of school and while moving from one class to another, unless they have special permission or special duties that require them to be there. Students are asked to be courteous at all times and to keep to the right when moving in the halls. Running and shouting in the halls is never permitted. A student must have an approved hall pass in order to be permitted in the hall during class time. This hall pass must be initialed by a staff member with the time documented. Any abuse of pass privileges during class time or lunch periods may result in the loss of pass privileges.

Signs/Advertising

All signs which are to be placed on the outside or inside of school property must be approved by the building administration.

Outside Building

Students are not permitted outside the building or on other school building properties during school hours unless accompanied by a staff member or have written permission from staff or administration.

School Visitors

All adult members of our community are welcome to visit the school. However, an appointment must be scheduled prior to the visit. **State law requires that any person visiting the school report directly to the school office. Once the visitation has been approved, each visitor must sign in.** Each visitor will then receive a school pass that must be worn and remain visible during the visit. This procedure will assist in providing a safe environment for all students. Visitors are not permitted to attend lunch in our cafeteria. Parents are encouraged to keep open

communication with classroom teachers. Teachers have regularly assigned times when conferences can be scheduled. Any conference with teachers should be scheduled in advance.

Volunteers

On behalf of Hamilton Township HS, we appreciate all of our volunteers that work with us. We recognize that parents and other community members are our partners and that our goals are shared ones. Please understand an approved volunteer does not have open access to school buildings and there's no guarantee an approved volunteer will be contacted to volunteer. The volunteer must have approval from an administrator of the building for any activities in which they will participate. Adults who wish to volunteer must complete the following and have it approved by administration: Volunteer information sheet; An employment / volunteer application; Photocopy of current drivers license; Volunteer release and indemnification agreement; and Bureau of criminal identification and investigation (BCI)

Child Custody/Divorced Parents

The school wants to cooperate with the parents of our students, but we must do so according to Ohio laws.

Sometimes parents have disagreements and make requests of school personnel regarding releasing children during the day. If custodial arrangements, which have been court ordered, restrict access to the child or his/her records, a copy of that order must be on file in our office. This court-issued document directs the school, not necessarily the wishes of one parent or the other. The adult checking the child out must sign for the child's release. Parents have an obligation to inform the school anytime the custody of a child changes. The school officials will need to see and copy court orders pertaining to a child's custody.

Non-Custodial Parent Records Access

A divorce or change in custody does not change the rights of a natural parent to their child's records. A non-custodial parent may request and receive a copy of the child's report card, the permanent record, and the opportunity to hold a teacher conference. Only the custodial parent has the right to make educational decisions requested by the school. Stepparents have no legal rights to records, reports, or conferences unless these rights are granted by the custodial parent.

School Fees, Course Fees, and Fines

Students attending Hamilton Local Schools are required to pay a \$50.00 student supply fee in addition to any other course fees that may apply. In accordance with board policy, report cards, records and diplomas will be withheld for those students who have not met financial obligations and/or have not returned all school/district property.

THE STUDENT SUPPLY FEE OF \$50.00 HAS BEEN WAIVED BY THE BOARD OF EDUCATION FOR THE 2020-2021 SCHOOL YEAR.

Technology Fee

Students attending Hamilton Local Schools in grades 1 through 12 are required to pay a \$25 Technology Fee per year.

Pay to Participate Activity Fees [Waived for the 2020-2021 School Year Only]

Students who choose to participate in the following activities are required to pay, in accordance to each family situation, the appropriate amount. The following activities require a \$75.00 per season activity fee.

- *District-sponsored Athletic Teams
- *Cheerleading (one time yearly fee)
- *Drama-School Play
- *Band-Competitive Marching

There will be a **\$225.00** maximum per student per year and a family maximum of **\$450.00** per year. The “Pay to Participate” program does not apply to all activities related to a course of study or those groups/clubs that meet predominantly during the school day. If you need further details concerning our Pay to Participate Activity Fees, you may contact the Office of Athletics at 491-8044 ext. 1808 or the Director of Bands/Drama at 491-8044 ext. 1842. The Pay to Participate Activity Fee form can be found in our Important Forms & Links section of our district website.

All activities related to the course of study and those that meet predominantly during the school day are not affected by the “Pay to Participate” program. This includes strength and conditioning since it is part of the athletic team program.

*All school and activity fees will be collected during schedule pickup/student orientation night.

Fund Raising and Selling in the School

Students may participate in only school-approved fund-raisers when soliciting within the school. Items are not to be brought into the school to be sold. Money and/or merchandise are not to be exchanged between students unless it is part of an approved fund-raiser.

Fund Raising and selling may be approved for school related activities only. Fund raising, selling or buying without principal approval is prohibited.

School Lunches

Each school provides the opportunity for students to eat a well-balanced hot meal. The cost for our school lunch for 2020-2021 is \$2.75. An a-la-carte lunch is also available, and the price for each item will be posted. Students bringing their lunch from home will eat in the cafeteria and may buy additional food or drink items, if desired. All food items are to remain in the cafeteria. Hamilton Local Schools participates in the Federal School Lunch Program.

Our online application for this program is made available to you through our new Hamilton OneView Parent portal. Visit <http://hamilton.esvportal.com>, login to your Hamilton OneView Portal account, and click on the Free & Reduced Lunch Application. If you haven't set up an account at this time, please do so as soon as possible and complete your child's forms. If you have any questions about our lunch program, please contact Mrs. Hillerich at 614-491-8044 ext. 1860.

Breakfast Program

We are happy to offer a FREE, filling, and nutritional breakfast to those students who need to eat breakfast at school. All students are encouraged to take advantage of our breakfast program.

Cafeteria/Fee Payment and Account Systems

EZPay is an easy, convenient, and secure way to pay for school meals and all other fees. Available online via a secure web portal, EZPay allows you to quickly add lunch money to your child's account and pay for all fees that are associated with your child's education or activities. Creating your EZPay account is a very simple process. All you need is a valid email address, your child's student number (contact their school to get it if you don't have it), and a couple minutes to complete the registration process. EZPay allows you to make payments using a debit or credit card. You can access EZPay by clicking on the EZPay logo located on our district or school website home page. You may also access EZPay by searching the keyword "EZPay" in the search box on our website.

The district uses a computerized accounting system that allows students/parents to pre-pay for lunch.

Student Dining

Hamilton Local Schools has a closed lunch policy in which no student will be permitted to leave school for lunch. Additionally, parents and/or guests are not permitted to join students for lunch, nor are students permitted to order lunch to be delivered by an outside vendor. Administrative discretion will be used in emergency situations. Students are to report directly to the commons at their assigned time and may go to the restroom or locker with permission from the assigned

teacher/supervisor. Student behavior in the commons should be based on courtesy and cleanliness. This means leaving the area in the condition you would like to live in. Students will go through the cafeteria line and pay for their choice of food. Students are to remain in the commons area until they have finished eating. At no time are pupils allowed to take food outside of the commons area. Students are not to go into areas where classes are being held during their lunch hour.

Lockers (6th – 12th Grade)

All students will be assigned a locker. Lockers are property of the Hamilton Local Board of Education. Lockers carry no expectation of privacy for the students who occupy them. School lockers and their contents are subject to search by school authorities at any time and without warning.

School Telephone

Student use of the school phone is allowed only after approval by the secretary or principal and will be kept to a minimum. The school reserves the right to refuse the use of its telephone for unnecessary calls. The school secretary will place all approved student initiated calls. Any charges for directory assistance, line interruption, etc., will be billed to the student's parents/guardian.

Book Bags/Backpacks/Purses/Handbags

Book bags and backpacks are permitted in the building; however, they must be placed in the student's assigned locker until the conclusion of the day. Book bags and backpacks, as well as purses and handbags are not permitted in classrooms unless approval is granted by the classroom teacher or building administrator.

Dances

Dances may be scheduled during the school year for students to socialize in a controlled school setting. Dances may be used as fund-raisers for school clubs and organizations, or as incentives for students. A dance is a school event which requires the cooperation of all attending. It is the school's way of showing appreciation for good student behavior and adherence to the rules, regulations and attendance policies.

To be eligible to attend dances, students must not have any extended days, ISS, OSS or any disciplinary office referrals during the week of the scheduled dance. Students may be denied the privilege to attend the dances due to behavioral, academic, or attendance concerns. **Only current Hamilton Township High School students are permitted to attend high school dances. In order to bring a guest, students must register the guest in the main office one week prior to the day of the dance and the guest must meet all of the requirements listed on the registration form.**

The Student Code of Conduct and Dress and Grooming Policies are enforced during all school-sponsored activities. Participation in school dances is a privilege students can earn by exhibiting responsible and cooperative behavior throughout the school year.

Assemblies

At various times during the year the school will conduct assemblies. These assemblies are special activities held during the school day to educate as well as foster student interest and involvement. They are chosen to enrich units of study or provide positive motivational messages. Whether guests are present or not, each student is personally responsible for the impression made by the school as a whole. Unacceptable conduct includes whistling, uncalled-for clapping, boisterousness, and talking during a program. Improper behavior may result in removal from current and future assemblies. Textbooks and other materials are to be left in the classroom unless otherwise instructed. Attendance at non-mandatory assemblies may be denied due to behavior, academic or attendance concerns.

Credit Flexibility

Hamilton Township High School provide students the opportunity to show what they know and that they are ready to move on by learning in ways that are not limited solely to seat time in our high school building. Ohio Senate Bill 311 allows our students to earn credit in the following ways.

Option A: Complete coursework as has been done in the past

Option B: Test out or otherwise show mastery of course content

Option C: Pursue an educational option such as senior project, distance learning, postsecondary coursework, internship, service learning, or research-based project

One aspect of the credit flexibility plan is that it acknowledges that students learn at different rates while responding differently to varying instructional strategies. Credit flexibility allows students to demonstrate their understanding and skills according to their unique learning styles and experiences. More information about Credit Flexibility at Hamilton Township High School can be found by following the "Credit Flexibility" link on our school website.

Credit Recovery

Credit deficient students may make up some of their missing credits by taking courses through a district-approved curriculum provider. Students should see a school counselor for more information.

College Credit Plus

Ohio's new College Credit Plus can help students earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. Taking a college course from a public college or university through College Credit Plus is free. That means no cost for tuition, books or fees. If students choose to attend a private college or university, they may have limited costs. Students can choose to take College Credit Plus courses from any college that offers a course that would benefit their future.

Correspondence Courses

High school courses offered through correspondence courses are accepted for credit toward graduation only when they meet criteria established by the Hamilton Local Schools Board of Education.

Advisory

ADVISORY is an HTHS effort to ensure consistent, uninterrupted instructional time for students and teachers while addressing the attendance and academic needs of all students.

In ADVISORY, it is the student's responsibility to:

1. Get to class on time with all necessary materials.
2. Be alert and attentive; speak only when directed by the advisor.
3. Listen to announcements; watch and listen to announcements if displayed on the SMART Board.
4. Bring a pass if requesting to meet with another teacher for academic assistance.
5. Be quiet when in the hallway; walk directly to scheduled assembly or location designated on pass.
6. Read all handouts distributed by the advisor.
7. Check the student handbook to review and follow directions for specific grades.
8. Actively work on Career and Community Service Program activities.
9. Be courteous and respectful when receiving instruction in another room. Do not disrupt or distract students who are in the advisor's room.
10. Be courteous and respectful when students from other classrooms are receiving instruction from advisor.

Advisory experiences include:

Ninth Grade Experience: transition to high school, study skills, test-taking skills, re-assessments of current curriculum, career and college readiness beginning stages, Ranger Pathways.

Tenth Grade Experience: Test prep, study skills, test-taking skills, re-assessment of current curriculum, continuation of career and college readiness, Ranger Pathways.

Eleventh Grade Experience: Test prep, study skills, test-taking skills, re-assessment of current curriculum, continuation of career and college readiness, Ranger Pathways.

Twelfth Grade Experience: transition to post-secondary options, Test prep, study skills, test-taking skills, re-assessment of current curriculum, continuation of career and college readiness, Ranger Pathways.

Schedule Change Policy

Schedule changes have a serious effect on class size, teacher assignments and the master schedule; thus, important decisions regarding scheduling need to be made by students and their families during spring scheduling. Only in extreme circumstances will adding or dropping be permitted after the first five days of each semester. Any changes to a student's schedule after this date will require the recommendation of the school counselor, parental consent, teacher permission and approval of the Principal or Assistant Principal. Unless extenuating circumstances exist, students dropping a course after the first week will result in a grade of withdraw-fail.

Honor Roll

Students with a G.P.A. of 3.0 or higher and no grade of D, F or Incomplete on their report card will be awarded the special recognition of the Honor Roll.

Criteria for Placement

For official records, student class placement will be determined based on the following number of credits:

Freshman = Students having less than 5 credits

Sophomore = Students having at least 5 credits but less than 10 credits

Junior = Students having at least 10 credits but less than 15 credits

Senior = Students having 15 credits or more

Grade Point Average

To calculate grade point average, assign the following point value to all grades earned: 93-100% (A = 4), 90-92% (A- = 3.75), 87-89% (B+ = 3.25), 83-86% (B = 3), 80-82% (B- = 2.75), 77-79% (C+ = 2.25), 73-76% (C = 2), 70-72% (C- = 1.75), 67-69% (D+ = 1.25), 63-66% (D = 1), 60-62% (D- = .75), 0-59% (F = 0).

Add the total of all points earned and divide by the number of credits enrolled.

For Honors Courses, the following 4.5 point scale will be used: A = 4.5, A- = 4.25, B+ = 3.75, B = 3.5, B- = 3.25, C+ = 2.75, C = 2.5, C- = 2.25, D+ = 1.25, D = 1, D- = .75 and F = 0 points.

For Advanced Placement Courses, the following 5 point scale will be used: A = 5, A- = 4.75, B+ = 4.25, B = 4, B- = 3.75, C+ = 3.25, C = 3, C- = 2.75, D+ = 1.25, D = 1, D- = .75 and F = 0 points.

Students must take the AP exam for each course in order to receive weighted credit.

Grading Procedures

Grade cards will be issued at the end of each nine-week grading period. Final grades for each grading period are based on the following percentages:

Coursework	= 15%
Benchmark Progress	= 65%
CBA	= 20%

With year-long courses, the average of the first semester and the second semester will make up the final grade.

Progress Book: Parent Access

Parents/Guardians have on-line access to their child's academic progress. Teachers enter daily attendance and grades into Progress Book (a web-based system for reporting student information) and then parents/guardians can login and view it. Please be aware, however, that student grades and/or test results may not be entered on a daily basis. Teachers need time to collect, grade, and input the information, so please be understanding. Please contact the teacher directly with concerns.

To access your child's information:

1. From a web browser go to: <https://orgpa.metasolutions.net>
2. Click on the Progress Book Parent Access icon.
3. Click on the Hamilton Ranger icon.
4. Enter your username and password (contained in the access letter sent home from the office).
5. Please go to the "My Account" tab after you login for the first time and enter your email address in the contact information area. Also, you can change your login name and password (to something easier to remember) and link any of your additional children to the same account.

Make-up Work

Students who are absent will be required to make up work missed in each class. The teacher will determine the time given to make up work. Only in extreme cases will more than one week be allowed for make up. Students made aware of a test or assignment before being absent must make up the test or assignment immediately upon returning to school unless the teacher prefers other arrangements. Students are responsible for obtaining all make-up work from his/her teachers immediately upon return to school. Failure to obtain make-up work is no excuse for not doing the work.

Homework

Homework serves to share knowledge of material being covered with parents. Homework may be assigned to pupils to provide additional practice in subject areas, or to give opportunities to work on special projects. Questions regarding homework should be directed to the teacher involved. It is suggested that a place, time, and work area be provided at home for the student to establish and encourage good study habits. Many assignments are designed to encourage and promote parent/student/school interaction.

Assessments

In addition to the AP Exams and end-of-course assessments, students have opportunities to take optional assessments such as the PSAT, ACT, SAT, select college placement tests, and ASVAB.

Field Trips

The teachers at Hamilton Township High School may plan extended field trips for students. The purpose of these trips is to extend the curriculum and provide opportunities for students that cannot happen in a regular school setting. Participation in these trips is a privilege students can earn by exhibiting responsible and cooperative behavior throughout the school year. Students may be denied the privilege to participate in these trips due to behavioral, academic, or attendance concerns. Decisions regarding participation are made by the principal with input from teachers.

The Student Code of Conduct and Dress and Grooming Policies are enforced during all school-sponsored activities.

STUDENT SERVICES AND GUIDANCE

The High School Guidance Department is staffed with two full-time counselors. The school counselors are available to help make the student's years at Hamilton Township High School successful and satisfying ones. Every student and parent is encouraged to take advantage of the services offered through the guidance and counseling department. The counselor provides services in the following areas:

- Confidential help with individual concerns (academic, organizational skills, study skills, issues with friends, family, school, stress management, etc.)
- Group counseling
- Peer mediation and conflict resolution
- Consultation on parenting issues
- Assistance and participation in parent-teacher conferences
- Linkage to community resources
- Records and Information
- Placement
- Evaluation

Intervention Assistance Teams (IAT)

The Intervention Assistance Team is a school-based problem solving group coordinated by the school counselor. The purpose of the IAT is to assist teachers with intervention strategies to help with the learning needs, discipline issues, and interests of students.

PROGRAMS/ORGANIZATIONS/CLUBS

National Honor Society

The National Honor Society is composed of those juniors and seniors who have demonstrated high academic skills, personal integrity, and who have participated in extracurricular activities in their school careers. These students become eligible at the end of the second semester of their sophomore year by earning a cumulative G.P.A. of 3.25. Those who are eligible, based on grades, will receive a candidate information packet and will be asked to submit additional information for consideration. An evaluation procedure will be used to determine those students who have met the other criteria of service, leadership and character. A formal induction ceremony is held each spring. It is also mandatory to perform community service approved by an advisor to remain in this society.

Student Council

Students who want to participate in Student Council must be recommended by a certain number of teachers and voted in by peers. Once in student government, students are responsible for making decisions about events at the school such as homecoming ceremonies, dances and the graduation ceremony. Students also serve their school and community by collecting weekly recycling from each room and by hosting the yearly Teacher Appreciation Breakfast. The main charity event that Student Council runs at the high school level is raising money for Holiday Help, which provides holiday assistance to local families in need. Student Council is a student led organization, and all activities, charities, school decisions, etc. are voted on within the organization, with input from the student body.

NO SCHEDULE CHANGES WILL BE MADE TO ACCOMMODATE LA/ER. If a student drops a class at any time, he/she is NOT eligible for LA/ER. Students and parents/guardians understand that LA/ER is a privilege. LA/ER privileges may be suspended or revoked if students fail to follow stated procedures and regulations. In addition, a student's LA/ER privilege may be suspended or revoked should the student's discipline record warrant such action as determined by the Assistant Principal or Principal. Students who are truant may also lose their LA/ER privilege. Should a student on LA/ER receive a detention, extended day, or any other form of discipline, the student must show up at the regularly scheduled assigned time for the discipline. Students on LA/ER who receive ISS must begin and/or end at the regularly scheduled school times (7:20 a.m. – 2:15 p.m.).

Independent Study

Independent study is available to students who would like to take personal responsibility for learning a subject of personal interest or as a possible alternative to scheduling conflicts. 6. In the event that a car is already parked in a student's assigned space, students should park in a "visitor" space and immediately report the car in their space to the office. IN THE EVENT THAT A STUDENT'S DRIVING AND /OR PARKING PRIVILEGES ARE SUSPENDED OR REVOKED, THE SCHOOL WILL NOT REFUND ANY PORTION OF THE FEE PAID FOR THE PARKING PERMIT OR ANY OTHER COST ASSOCIATED WITH THE STUDENT BEING ABLE TO DRIVE TO AND PARK AT SCHOOL.

ATHLETICS/EXTRACURRICULARS

Eligibility/Extracurricular

Hamilton Township High School is a member of the Ohio High School Athletic Association. Ohio High School Athletic Association policies are the policies adopted and adhered to by Hamilton Township High School. Participants must be in school for at least 1/2 of their classes the day of the activity and attend the following school day unless the student has a doctor's excuse or special permission from the principal.

Enrollment into five (5) academic units of credit during the school year is required to compete. Students must have received passing grades during the previous grading period in subjects that earn a minimum of five (5) credits per year toward graduation and maintain at least a 1.5 grade point average each nine-week grading period.

Athletic Conduct Code and Due Process

All students will receive a copy of the Athletic Conduct Code and Due Process when trying out and participating in a sport at Hamilton Township High School.

Sportsmanship

Extracurricular activities are privileges as well as part of the total educational process and the same level of responsibility and behavior is expected at practices and competitions as is expected in the classroom. Should an individual student act in a manner detrimental to the school and student body at any extra/co-curricular activity, either as a contestant or a fan, he/she will lose the

right to attend contests and events involving other students and schools and may be subject to further disciplinary action. In addition, all Hamilton Township High School Students at home games are to sit on the home team side of the stadium or gymnasium while attending athletic events.

Photographs and/or Videos During Extra-Curricular Participation

Participating in activities such as band, drama, athletics, and other school related groups may result in photographs and/or videos being taken and appearing in programs, yearbooks, video and print media, and other sources due to the nature of the activity.

ATTENDANCE POLICY

The State of Ohio Revised Code (O.R.C.) 3321.04 of Chapter 3321 School Attendance states that, "Every parent of any child of compulsory age (6 – 18 years) who is not employed under the Age and School Certificate must send such child to a school or special education program that confirms to the minimum standards as prescribed by the State Board of Education. The child must attend full time the school program is in session."

Except in cases where a pupil has been properly excused, his/her parent or guardian has the primary responsibility for requiring school attendance (O.R.C. 3321.04/3321.07) and the failure to send a child to school may result in a fine of up to \$500, community service of up to 70 hours, or, if repeated, a jail sentence for the offending parent (O.R.C. 3321.38, 3321.99).

Ohio Revised Code 3313.609 prohibits the promotion of a student to the next grade level if the student has been truant for more than 10% of the required attendance days (178) of the current school year and has failed two or more of the required curriculum subject areas in the current grade unless the student's principal and the teachers of any failed subject areas agree that the student is academically prepared to be promoted to the next grade level.

Under legislation enacted in 1990, high school students who fail to attend school without a legitimate excuse may be required to forfeit their driving privilege until such time as they reach the age of eighteen or receive a diploma.

All Hamilton Local School District students are expected to be in school and to attend all assigned classes every day. Any attendance pattern contrary to this will be investigated. Parents or guardians of students who are truant or habitually tardy from school may be required to attend a parental education or training program and/or an attendance intervention meeting. The failure of a parent or guardian to attend such program constitutes "parental educational neglect" under the Ohio Criminal Code, which is punishable as a fourth degree misdemeanor. School attendance is closely related to school success; therefore the following attendance regulations will be in effect in the Hamilton Local School District.

A student shall not be absent from school for any portion of the school day without authorization. After arriving on school property, a student may not leave without permission. Students under the age of 18 years must be signed out by a person identified on their emergency medical/contact information. No student under the age of 18 years will be permitted to leave school unaccompanied based on a telephone call to the school office, nor without prior written consent of a parent or guardian. Excessive absenteeism to school or class may result in disciplinary action under the Student Code of Conduct.

THE ADMINISTRATION OF HAMILTON LOCAL SCHOOL DISTRICT RESERVES THE RIGHT TO WITHHOLD PROMOTION FROM A STUDENT MISSING MORE THAN EIGHTEEN (18) CLASS MEETINGS PER YEAR OR NINE (9) PER SEMESTER.

Notification of absence from school - In the event that a student must be absent from school, the parent or guardian is required to contact the school, either by phone or in person during the first two (2) hours of school. Absences of students, which are not verified by parent contact with the

office within three (3) days, will be viewed as unexcused. A student's absence from school is excused by parent notification for a maximum of sixty-five (65) hours. Once a student reaches sixty-five (65) hours of absences excused or unexcused, doctor verification is required for additional absences to be considered excused.

HTHS Attendance Line

Parents calling to inform the school of a student absence must contact the attendance line directly and speak with or leave a voice message for the attendance secretary with student name, grade, dates of absence, reason for absence, and any additional pertinent information.

HTHS Attendance Line – 614-491-8044 Option 5 for High School, then Option 1 for Attendance

Students will not be penalized for absences related to contracting COVID-19 or having to quarantine or isolate due to COVID-19 exposure/symptoms, regardless of whether the student is participating in-person, remotely or both.

Reasons for which students may be medically excused include, but are not limited to:

1. Personal illness of the student
2. Illness in the student's family necessitating the presence of the child
3. Quarantine for contagious disease
4. Emergency or other set of circumstances in which the judgment of the Superintendent constitutes a good and sufficient cause for absence from school, which may include but not be limited to absences due to documented medical appointments.

Any limits that may be in place regarding the number of medical excuses that will be authorized without a doctor's note may be extended if the student or someone in the student's family is in quarantine due to COVID-19 or experiencing symptoms of COVID-19.

Reasons for which students may be non-medically excused include, but are not limited to:

1. Needed at home to perform necessary work directly and exclusively for parents or legal guardians for a limited period of time when approved by the Superintendent (applies to students over 14 years of age only)
2. Death in the family (applies to absences of up to 18 hours unless a reasonable cause may be shown for a longer absence)
3. Observation of a religious holiday consistent with a student's truly held religious belief
4. Traveling out of state to attend a Board-approved enrichment activity or extracurricular activity (applies to absences of up to 24 school hours)
5. College visitation
6. Absences due a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status
7. Absences due to a student being homeless
8. Temporary internet outage for individual students or households
9. Technical difficulties for individual students or households occurring at inopportune times such as during a teacher-led remote learning lesson
10. Absences due to COVID-19 reasons that are not considered medically excused until alternative arrangements can be made or
11. As determined by Superintendent

Make up of missed work - Students with absences will be permitted to complete make up work missed while absent.

Doctor, dentist or counselor visits or appointments - Parents are encouraged to schedule their child's appointments with doctors, dentists and counselors during non-school hours. If the student consults a doctor, he/she must supply a statement from the doctor to that effect immediately upon returning to school.

Unexcused absences - If unexcused absences are not resolved in three (3) school days, the

absence will be recorded as unexcused. The final decision as to the acceptability of an excuse will rest with the building administration

Parent notification of absence - When the student becomes habitually truant or excessively absent, an Absence Notification Letter will be mailed home to the parent or guardian. When a student's absences surpass the threshold for habitual truant, the student will be assigned to an absence intervention team and an intervention plan will be implemented.

Tardiness - Students will be considered tardy when they are not present at the designated beginning of school ~~up to 3½ hours into the school day~~. An authorized tardy will be considered only in cases of an illness which is confirmed by a doctor, or preplanned medical treatment by a doctor. All students arriving late to school must sign-in at the office. The student will then be issued a pass, which will admit them to the appropriate class. Tardiness to class or school may result in disciplinary action under the Student Code of Conduct.

Early Dismissal: An authorized early dismissal will be considered only in cases of an illness, which is confirmed by a doctor and/or school nurse/nurse aide, or if a pre-planned medical treatment by a doctor is confirmed with written documentation. Unexcused early dismissals from school may result in disciplinary action under the Student Code of Conduct. All students being picked up must be dismissed from the school office. Any person signing a student out of school, must be listed on the student's Emergency contact information and provide a photo I.D. To avoid instructional interruptions, early dismissals should be kept to a minimum.

Half-day absences – If an early release or a late arrival causes a student to miss more than 3.5 hours of school the absence shall be considered a half-day absence.

Extracurricular Events/Activities – A student who is absent without excuse or due to illness cannot attend after school extracurricular events/activities.

Vacations - Vacations are defined as an extended absence from school with the immediate family. Excused vacations will be limited to thirty-three (33) hours per year, unless specific approval is given by building administration. Approved vacation requests will count as parent notified absences and are limited to sixty-five (65) hours per year. Vacation request forms must be obtained in the office. These forms must be completed and returned to school no later than three (3) days prior to the scheduled vacation. Additionally, vacation requests will not be approved during exam/curriculum bases assessment (CBA) weeks or during mandated state testing. The decision to grant or deny vacation requests rests with building administration, and requests may be denied due to academic or other concerns.

Truancy – Ohio Law defines Truancy and Excessive Absences:

- Habitual truant – A child who has been absent without a legitimate excuse for 30 or more consecutive hours, 42 or more hours in a school month, or 72 or more hours in a school year. Habitual truancy is an unruly offense, unless a child has been previously ruled a habitual truant; then the offense is a delinquency.
- Excessive Absences – A child who is absent with or without a legitimate excuse for 38 or more hours in one school month, or 65 or more hours in one school year.
- Medically Excused Absences - Absences that are properly excused by a doctor, dentist, counselor, etc. will not be counted toward Habitual Truant or Excessive Absence thresholds.

Loss of Driving Privileges: Under Ohio law, high school students who fail to attend school without a legitimate excuse for more than 60 hours during a school month or a total of at least 90 hours during a school year, may be required to forfeit their driving privileges until they reach the age of 18 or receive a diploma.

Therefore, as per Board Policies JED and JECE, along with sections 3321.13 and 4510.32 of the Ohio Revised Code, the Superintendent and/or designee shall give notice of the habitual absence

to the Registrar of Motor Vehicles for the State of Ohio and the Franklin County Juvenile Judge. **The registrar shall suspend the driver's license or temporary permit of the student. If the student has not yet been issued a license or permit, the Registrar must deny such issuance.**

The suspension will remain in effect until the student attains the age of 18, is issued a diploma, or until the Superintendent informs the Registrar that the student has completed at least one semester since the notification and is no longer considered "habitual truant".

Student withdrawal from school - If it becomes necessary to withdraw a student during the school year, please notify the school office at least five days in advance. This gives the school an opportunity to prepare documents necessary for transfer. It also allows for school loaned materials to be collected. A withdrawal/release form should be completed prior to leaving the district.

School closings and delays - Hamilton Local School District utilizes an automated phone notification system to inform our students/parents/guardians of closings, cancellations, unexcused absences, and any other emergency alert information concerning our district buildings or property.

Our automated notification system utilizes a call list that is generated by importing each student's primary contact phone number linked to his or her student record. At any time, if your child's primary contact number is changed please make certain one of our building secretaries is made aware of the new contact number so they can update the record to display current, valid contact information.

Once our district's Superintendent has determined if we will be closed or operating on a two-hour delay, our automated notification system will contact you within minutes.

If school is cancelled or delayed for two (2) hours due to inclement weather the following local television and radio stations will carry the announcement: (TV Stations) WCMH – NBC; WSYX - ABC 6; WBNS – 10 TV; WTTE – Fox 28; and (Radio Stations) WTVN – 610 AM; WCOL – 92.3 FM; WNCI – 97.9 FM; WCKX – 107.5 FM.

You can also visit our district web site www.hamiltonrangers.org for school closing, delay, or emergency information.

The district may make up calamity days by utilizing one of these options: Increasing the length of the school day, providing access to online lessons, or distributing blizzard bags.

The district expects each student to dress cleanly and neatly, and practice good personal hygiene.

CONDUCT POLICY

By order of the Hamilton Local School District Board of Education in compliance with Ohio Revised Code 3313.66 and 3316.661 and as adopted by the Hamilton Local School District Board of Education: All violations of school rules and regulations, during the time a student is properly under the auspices of school personnel or involved in any school activity, may result in disciplinary action. This includes, but is not limited to, school buses and property under the

control of district authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs.

The administration of Hamilton Local School District reserves the right to prohibit and discipline any behavior or conduct that is not consistent with a safe, non-distracting educational program that may or may not be contained in this policy.

In addition, this Conduct Policy includes misconduct by a student that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.

The right of every Ohio resident between the ages of six and twenty-one to a free public education has been undeniably established time and time again by Ohio law and the Ohio courts. Irrespective of race, color, creed, or sex, all youngsters are entitled to equal opportunities to obtain an education conforming to minimum standards prescribed by the State Board of Education. At the same time, however, the courts have also held that each student in the Ohio Public School System has the responsibility to act in such a way as not to interfere with the rights of others in their same educational opportunities. A student may forfeit his rights when his conduct is such that it substantially disrupts the educational process and thereby deprives others of their rights. It is the philosophy of the Hamilton Local School District Board of Education and the administrative staff to provide students with their rights and require they accept responsibility for their actions. The intent is not to list all rules and acts of misconduct, but to provide guidelines that must be followed to maintain a quality educational program. The disciplinary actions to be taken are believed to be fair, but may be prudently altered by the administration to meet the specific needs of each individual student. Teachers may have specific rules pertaining to their classroom that are approved by the administration and must be adhered to by the students under the direction of the teacher.

Hazing/Bullying: Hazing/Bullying activities of any type are inconsistent with the educational process and shall be prohibited at all times. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation unto any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Bullying is defined as an intentional written, verbal or physical act that a student has exhibited toward another person more than once. The behavior causes both mental and physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student. School Wide Conduct Plan

At the Hamilton Local School District our objective is to educate children. In order for each child to meet the challenges that he or she will face in our society, the development of self-discipline and individual responsibility are essential. Hamilton Local School District follows a successful Assertive School Wide Conduct Plan that supports the right of each student to an education in a calm, safe, and secure environment.

It is important that parents, school staff and students work together to maintain a positive educational atmosphere. The rules and conduct procedures at Hamilton Local School District have been established for the protection of students. Students are expected to respect these rules as well as the staff and administration responsible for enforcing these rules. The staff needs the support of parents in promoting acceptable behavior. Our goal is for each student to learn to be responsible for his or her own actions.

Serious violations will result in immediate office referral and disciplinary action, which may include suspension or expulsion. Serious violations can include but are not limited to the following:

- Physical assaults (fighting)
- Possession of or under the influence of tobacco, alcohol, drugs, drug paraphernalia
- Possession of weapons
- Defying or disrespecting authority
- Threats
- Destruction of school property
- Profane or obscene language
- Continued classroom disturbances
- Each classroom teacher has a similar set of rules and consequences that can be furnished upon request. Students who do not follow the rules will be provided an appropriate consequence such as a warning, conference, detention, extended day, suspension or

expulsion. Repeated offenses of the conduct policy may result in more severe consequences. Well-behaved students will be recognized with group and individual rewards.

Detention

An individual classroom teacher may assign an after-school or lunchtime detention. After-school detention will be held at designated times. Detention, as a means of disciplinary action, gives the student the opportunity to correct behavior and improve skills before administrative intervention is necessary. Students must bring school related materials to detention and may not sleep. School personnel will supervise the detention.

Parents receive written notification of a detention, and attendance is required for any student who is assigned. Failure to attend will result in disciplinary action under the Student Conduct Policy. Transportation is the responsibility of the parent/guardian.

Extended Day

Extended day detentions will be held at designated times. Students must bring school related materials to extended day and may not sleep. Students who skip assigned extended days may receive additional extended days, PLUS or ISS. Attendance on assigned days is mandatory. Transportation is the responsibility of the parent/guardian. Work responsibilities or lack of transportation may not be considered as excused absence. Therefore, arrangements should be made for student attendance.

Positive Learning Under Supervision (PLUS): The PLUS program may be used as an alternative to In-School Suspension (ISS). Students will be assigned PLUS at the discretion of the administration. Students are allowed to participate or attend any school activities or contests on the day(s) they are in PLUS. Students are to report to PLUS with all textbooks, supplies and materials necessary to complete all assignments provided by their teachers or the PLUS supervisor. Assignments completed in PLUS will be graded by the teacher who provides the assignment, and the students will receive credit for all work completed.

In-School Suspension (ISS)

In-School Suspension may be used as an alternative to Out-of-School Suspension (OSS). Students will be assigned an In-School Suspension at the discretion of the administration. Students may not be allowed to participate or attend any school activities or contests, or be present at activities controlled by the school until the day following the last day of the ISS assignment. Students are to report to ISS with all textbooks, supplies, and materials necessary to complete all assignments provided by their teachers or the ISS Supervisor. Assignments completed in ISS will be graded by the teacher who provides the assignment, and students will receive credit for all work completed.

Out-of-School Suspension (OSS)

Students may be suspended from school for violations of the Student Conduct Policy. Students are not allowed to be present on school property, participate in or attend any school activities or contests, or be present at activities or on property controlled by the school until the day following the last day of the suspension. In addition, the student must be in the custody of his/her parent or guardian during school hours. Students are required to obtain, complete, and return all assignments missed during an Out-of-School Suspension. **Excessive suspensions may result in expulsion.**

Parental Involvement Program/Absence Intervention Team

Parents or guardian of a habitually truant or excessively absent student may be required to attend an educational program designed to encourage parental involvement in compelling the attendance of the child. Refusal or nonattendance by parents or guardians shall be punishable by law (RC 3313.663(B), RC 2919.222).

Expulsion

Expulsion is the removal of a student for more than ten days but not more than one year. At times the behavior of a student can be considered so serious as to justify total removal from the

educational program for a prolonged period of time. Actions meriting expulsion are outlined in the student Conduct Policy. Only the superintendent or his designee may expel a student. Students are not allowed to be present on school property, participate in or attend any school activities or contests, or be present at activities or on property controlled by the school until the day following the last day of expulsion. Only the superintendent or his designee may make exceptions to this policy. If necessary, we reserve the right to carry student expulsions into the following school year

Prohibition of Discrimination

The Board of Education, administration, faculty, staff and students are responsible for assuring that the Hamilton Local School District maintains an environment for work and study, which is free from sexual harassment or discrimination. Prompt corrective measures will be taken to stop sexual harassment or discrimination whenever it occurs. Any student who believes that he or she has been sexually harassed or discriminated against (or a parent/guardian who believes that his or her child has been harassed) should immediately report it to a responsible school official. This could be a teacher, counselor, faculty member, office staff or administrator. It is a violation of Hamilton Local School District Board Policy to retaliate against anyone bringing forth an honestly perceived complaint of sexual harassment. Students who engage in sexual harassment on school premises or off school premises at a school-sponsored activity will be subject to appropriate discipline, including suspension or expulsion. Sexual harassment is any activity of a sexual nature that is unwanted or unwelcome, including but not limited to, unwanted touching, pinching, patting, verbal comments of a sexual nature, sexual name-calling, pressure to engage in sexual activity, repeated propositions, and unwanted body contact. The school's normal disciplinary procedures will be followed in determining the appropriate consequence for the sexual harassment. In the event the administration recommends suspension or expulsion as a result of the conduct, due process will be afforded to the student in accordance with the district's suspension/expulsion procedures.

A formal complaint may be filed with the Title IX Coordinator in person, by mail, by electronic mail to:

BUS CONDUCT POLICY

The Board furnishes transportation in compliance with Ohio law. **This fact does not relieve parents of students from the responsibility of supervision until such time as the student boards the bus and after the student leaves the bus at the end of the day. Students on a bus are under the authority of and directly responsible to, the bus driver.** The driver has the authority to enforce the established regulations for the bus conduct. Disorderly conduct or refusal to submit to the authority of the driver is sufficient reason for refusing transportation services or suspending transportation services to any student once proper due process procedures are followed.

Bus Rider Expectations

Many of our students are transported to and from school by bus. Our primary concern is the safety of all students. All students will be assigned a seat, and as they board the bus they are to go directly to their seat **SIT DOWN, KEEP THEIR HANDS AND FEET IN THEIR OWN SPACE,** and **TALK QUIETLY** with whom they are sitting. If all students follow these procedures, there should be no problems and the bus ride should be safe for all children. A student may lose transportation privileges for violating any part of the student code of conduct. Transportation will then become the parents' responsibility.

Changes in Bus Transportation to/from school

Changes to a student's bus transportation to and from school can be made at the district transportation office only.

COMPREHENSIVE SAFETY PLAN

The protocols in our Comprehensive School Safety Plan are the result of a procedure designed to comply with Ohio revised Code 3313.536. This plan contains protocols for emergency situations that may develop in our high school.

Each staff member is issued a Comprehensive School Safety Plan at the beginning of each school year. These plans are located in each classroom and throughout the building. Administrators, staff, and students are instructed on the various procedures to follow in the case of an actual emergency. Our Comprehensive School Safety Plan includes the following protocols:

1. Emergency Phone Numbers
2. Suicide/Death
3. Weapons
4. Hazardous Materials
5. Fire Emergency Evacuation
6. Hostage Situation
7. Tornado/Severe Weather
