MID-STATE LEAGUE T&F AND XC HISTORY

From its inception in 1949, over thirty-six schools have entered and participated in the Mid-State League, A high school sports league in Central Ohio. Thirty-three of the thirty-six schools have participated in track and field, while thirty-one have participated in cross-country. The MSL began as one division of eight schools, grew to a three-division, twenty-four team league, and is now a three-division league of twenty-two schools. Athletes and teams participating in Mid-State League Track & Field and Cross Country have gone on to achieve individual and team state championship titles, have gone to run at the collegiate level, earn All-American honors, and even compete at the world class level.

Boys Track and Field was introduced into the Mid-State League in the spring of 1961. The league consisted of one division and eight competing schools. Canal Winchester, coached by Milt Will, was the first championship team. Breman, Frankfort, Carroll, Amanda Clearcreek, Berne Union, Liberty Union, and Millersport high schools all fielded teams in the inaugural championships. Boys Cross Country was included into the MSL championship schedule in fall of 1972. Coach John Riley's Fairfield Union team was crowned champion above Bloom Carroll, Pickerington, Fisher Catholic, and Liberty Union.

Girls Track and Field incorporated in the spring of 1975, and the Mid-State League now had ten participating schools. Bloom Carroll took home the title under the supervision of Coach Harold Miller. Pickerington, Canal Winchester, Fisher Catholic, Amanda Clearcreek, Logan Elm, Liberty Union, Millersport, Berne Union, and Fairfield Union all competed in the meet. Finally, in the fall of 1979 Girls Cross Country entered the MSL, although only two schools participated in the championship meet. Fisher Catholic, coached by Joanne Marcinko defeated Pickerington by the slimmest of margins, 27-28.

During the 1984-1985 school year the Mid-State League split into two division, the Buckeye and the Cardinal. The Buckeye Division consisted of the six teams of Bloom Carroll, Canal Winchester, Fairfield Union, Hamilton Township, Logan Elm, and Teays Valley. The Cardinal Division included the six teams of Amanda Clearcreek Berne Union, Fisher Catholic, Liberty Union, Licking Heights, and Millersport. In the 2003-2004 school year a third division, The Ohio, was added to the MSL. The eight Buckeye schools were Amanda-Clearcreek, Bloom Carroll, Canal Winchester, Circleville, Fairfield Union, Hamilton Township, Logan Elm, and Teays Valley, The Cardinal was made up Berne Union, Fisher Catholic, Grandview Heights, Harvest Prep., Liberty Union, Licking Heights, Millersport, Newark Catholic. Bexley, Columbus Academy, Granville, Heath, Lakewood, Licking Valley, New Albany, and Whitehall Yearling were in the newly created Ohio division.

In 2013 many of the schools residing in Licking County created their own league, named the Licking County League, and long time member Canal Winchester moved to the Ohio Capital Conference. Many new schools were added to the MSL and some schools moved from one division to the next. Liberty Union replaced Canal Winchester in the Buckeye and the rest of the school stayed the same. The Cardinal is now a six team division of Berne Union, Fairfield Christian, Fisher Catholic, Grove City Christian, Harvest Prep, and Millersport. The Ohio added newcomers London, Madison Plains, and Worthington Christian to the veteran schools of Bexley, Columbus Academy, Grandview Heights, West Jefferson, and Whitehall-Yearling.
