WHERE NEW PATHS BEGIN

# Telehealth

*Anytime, anywhere. The path to connect begins here.*

**Life can sometimes be scary, lonely and overwhelming, especially with the uncertainty of the COVID-19 pandemic. That is why we're here for you – anytime, anywhere.**

With OhioGuidestone Telehealth, you can get confidential counseling, guidance and support right on your phone, computer or tablet. Wherever you and your family are, we can be there, too.

Don't go it alone. **Call us today at 1.888.522.9174.**

**Whether it's a phone call, FaceTime, Skype or similar technology, you can get the help and care you need when you need it, no matter where you are.**

**Ohio's new emergency rule expands the types of behavioral health services allowed through telehealth, regardless of your geographic location.**

OhioGuidestone  
WHERE NEW PATHS BEGIN

**OhioGuidestone Telehealth is easy and convenient.**

**Sessions are available anywhere you have access to a phone or high-speed internet, allowing you to comfortably talk with your therapist.**

All of our therapists are state licensed professionals with experience working with clients in a variety of settings. OhioGuidestone utilizes a HIPAA-compliant hardware and software platform that meets all state and federal laws and regulations for confidentiality, privacy and security.

To get started with OhioGuidestone Telehealth, call **1.888.522.9174** today. Visit us online at **[www.OhioGuidestone.org](http://www.OhioGuidestone.org)**.
