

RANGER BRIDGE

Summer learning sessions that help students get from where they are to where they need to be.

The 2020-21 pandemic has created learning gaps for students everywhere. The Hamilton Local School District is designing summer 2021 learning opportunities for district-enrolled students in grades 2-8. We aim for in-person instruction but we are considering the possibility of some live virtual instruction also.

Only English Language Arts and Math are offered in the Summer 2021 Ranger Bridge. Space in the Ranger Bridge summer learning sessions is limited. Those who are interested in their student's participation in Ranger Bridge need to apply. Acceptance into this summer's session will be determined by May 3, 2021.

Session 1 is June 7-11 and June 14-18

Session 2 is July 26-30 and August 2-6

Accepted students attend both sessions.
